# L'ARANCINO DELLO STRETTO

~~~~~ artigiani siciliani

The Arancino is a **sphere** of rice that is stuffed, breaded and fried, **symbol of Sicily** and its cuisine. The Arancino dello Stretto was inspired by the desire to bring this unique, gastronomic wonder to the whole world and, by the experience of those who, for over 50 years, have delighted citizens and tourists with the best specialties of the **Messina cuisine**.
